Hailed as "sultry [and] spine-tingling" (Publishers Weekly) and "intense, sensual, and mesmerizing" (Library Journal), *Shadow Game* plunged us into a world of terrifying power and forbidden passion. Now, New York Times Bestselling author Christine Feehan returns to that exciting world to give us her most breathtaking novel yet... Possessed of an extraordinary telekinetic gift, Dahlia Le Blanc has spent her life isolated from other people. And just when she thinks she's finally achieved some semblance of peace, her well-orchestrated world comes crashing down... For a reason she cannot guess, she has become the target of deadly assassins. Suddenly no place is safe--not even the secret refuge she'd established long ago. Now she must rely on Nicolas Trevane--a dangerous warrior sent to track her down and protect her. Together they generate a scorching heat Dahlia never imagined was possible. But can she trust this man with her secrets--especially when some people would kill to get their hands on them?
